# MAGNIFICENT STUDENT!

---

There is now yet another reason to live – BSI Quidditch this semester (and countless of the following) provides you with the opportunity to become a real quidditch player! Everyone is welcome: foreigners, Foreigner, wizards, muggles, death eaters, tea drinkers and everyone else!

Never heard about Harry Potter? Frightening, but no deterrent! Quidditch requires no preexisting knowledge or skill (much like university?), just a burning desire to live the magical life!

We have excellent team players, high tech equipment new this season, a kick-ass halloween party, challenging and engaging practives and last but not least a window into the wonderful world of Quidditch!

So grab the nearest broom (or don't, we have enough for everyone), squint towards the goal hoops, kick off and fly into the fall semester with BSI Quidditch!

*«What do you do in your spare time?»*

*«I play quidditch.»*

*« ... Damn»*

**Damn indeed! Win at life – play quidditch!**
